3.  called to say that his opposite number from Project  would be here from the 11th to the end of October. He wants to take them out to Cedar Rapids, Iowa, to see some electronic installation and requested that if possible the Agency's airplane take a group out on the 19th and pick them up on the 22nd. I told him I felt sure that arrangements could be made and that I would start the wheels to rolling.
